Sub :- Covid Vaccine for BSNL workers.

**Respected Sir,**

It is learnt that the Govt. is providing Covid-19 vaccine to all front line public servants like Health, police and others who are in touch of public. BSNL workers are also public servant similar to those front liners as they are moving door to door in course of maintenance of services.

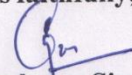

The Covid-19 is still spreading in several part of country specially Maharastra, Karnataka, Kerala are badly effected and in top dangerous position.

In the circumstances we earnestly urge upon you to kindly arrange special consideration to provide Covid-19 vaccine to BSNL workers also on priority basis similar to other front line workers.

We will feel obliged if the needfull may kindly be initiated in this regard.

With best wishes.

Yours faithfully,

  
(Chandeshwar Singh)  
General Secretary
