Com.V.A.N.Namboodiri, Convener welcomed all the participants and briefed about the action taken after the last meeting. He mentioned that serious preparations and campaign has to be made for making the Parliament March and the Indefinite Strike a big success.

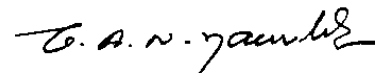

After detailed discussion, the following decisions were taken:

- 1. Review of the meeting with the CMD BSNL on 09-02-2015:** Detailed discussion has taken place, but no decision was taken on any important issue. On the HR issues, a meeting may take place after a note on the same is supplied by the management.
- 2. Parliament March on 25th February 2015, Signature Campaign and Circle Conventions:** It was felt that serious campaign has not yet started in many circles. Conventions have been held in a few circles and some more are fixed, but they are yet to be organised in many other circles. These have to be organised at the earliest. Hectic campaign has to be unleashed to make the agitational programmes successful. Signature Campaign is yet to start in many circles. Immediate action is to be taken by the Circle Forums for the same. The target of one crore signature has to be achieved. The General Secretaries should contact the Circle Secretaries for immediate action in the above matters.

Wall poster by the Forum is to be printed urgently and supplied to the General Secretaries as per the requirement given.

The Unions/Associations which are yet to pay the quota for the Parliament March expenditure should pay the same immediately.

- 3. Affiliation of unions/associations in Forum:** The issue of affiliation of more unions/associations in the Forum will be further discussed. However the Forum welcomes all unions/associations for participation in the Parliament March, Strike and other agitational programmes.
