

Draft Resolutions -NEC Meeting @ New Delhi on 13-14 July-2016.

7th Membership Verification

The NE held at New Delhi on July 13/14 -2016 appreciates all our BS/DS/CS and CHQ office bearers for their hard work during the time of 7th MV, bringing NFTEs recognition. The NE appreciates the support given by SEWA, TEPU, PEWA and other alliance unions. The NE appeals to all our members and leaders to consolidate the gains fully. Rapport with alliance unions and other friendly unions is a must. The NE records its thanks to one and all.

2nd September strike

The National Convention of all Central Trade unions Federations of various industries has given a call for observing Nation wide strike on Sep 2,2016 against anti-labour, anti national policies of the Govt.

There has been a serious attack on all prime labour laws which were fought and won after much sacrifice. The minimum wage of contract labours has not been changed for the past 8 years and even the announced Rs.10000 is not implemented.

There have been attacks on CG departments like Railways by dismantling their coach , loco factories and allowing the entry of private. The defense sector is thrown open to US and other multinationals endangering the security of our country. The cheapest pharma industries is thrown to MNCs by 100% FDI. Even the retail sector, real estate were given automatic approval of 100% FDI.

Most of the profit making PSUs are under disinvestment process. Even strategic sales are allowed in those PSUs. Interest rates are cut for the savings but the corporates are given 5 lakh crore concessions thro' budget. The farmers suicide are increasing. The agricultural labours are rendered jobless and are in great distress.

In telecom, our networks are being dismantled in the name of Tower corporation/OFC out-sourcing. In order to safe guard the interests of the nation and workers, it is our duty to be part of the Sept 2, 2016 stike. The NE requests the Branches/Districts/Circles to organize the struggle effectively.

Aug 9-2016 –Strike explanatory meetings

Sep2- 2016- Strike. As per the call of central unions

Up gradation of RM/Gr.D Scales NE-4

The NE held at New Delhi on July 13/14 -2016 dealt the issue of stagnation of thousands of RM/Gr.D. The different alternatives spelt at National council were yet to be considered and resolved. Recently the management committee approved up gradation of executive scales. Unfortunately the issue of upgradation of RM/Gr'D' scales to NE4 is pending. Our union has proposed on the modalities of DOP&T guidelines that all RM/Gr"D" be upgraded to multi tasking cadres. The NE demands the management to resolve the long pending hardships of our RM/Gr.Ds by onetime up gradation to NE4 scale.

National Forum of BSNL Workers.

The NE endorses the formation of National forum with all our alliance unions. The NE directs the CHQ to strengthen the forum by inviting the other non-executive unions and Associations, unite and to have a broader understanding and settle the issues that are affecting our employees and industry, The NE assures all the unions and associations that NFTE-BSNL will be second to none in taking initiative for broader mobilization on the issues that are detrimental to the growth of BSNL and welfare of the employees. The NE appeals the unions like FNTU, BTEU to be the part of this National Forum. The NE directs the Circle/district units to form forum at their respective level on the lines of National forum of CHQ level before September, 2016.

78.2% IDA on pension and 60% liability

The issue of 78.2% for pensioners is settled now with its connected issue 60-40 liability. NFTE CHQ has been a consistent fighter on this issue. When the issue of 60-40 liability restriction was imposed, it was Com O.P.Gupta who brought the issue to the light. NFTE CHQ has taken up the issue with DOT and stood for the withdrawal of this restriction against the spirit of assurance given at the time of formation of BSNL. NFTE has finally taken up the issue to the Prime Minister of India, who sent the issue to DOT to examine. The earlier approval for 78.2 on July 5th has endorsed our stand of pension contribution should only be on the basis of FR116 and nothing more than that. The National executive held at New Delhi on July 13/14 -2016 appreciates the efforts of NFTE CHQ and demands the earlier order of DOT for both 78.2 and withdrawal of 60-40 liability.
