Meeting on PLI :

The meeting took place today at 1100 hours under the chairmanship of Shri Shamim Akhtar, Sr. GM(SR). Sr. GM(Est), GM(Restg), GM(Rect) and GM(Est Accounts) were present.

The NFTE was represented by Comrades Islam Ahmad and A. Rajmouli, Treasurer of NFTE. The demand to include the scale of “Fair” alongwith Excellent, Very Good and Good was accepted by the management side. The official side was undecided if the evolved formula will be applicable for non-executive staff only. As for as inclusion of VLR etc are concerned same will be as per MOU provisions to be signed between DOT and BSNL. The NFTE again reiterated its demand that the minimum amount of PLI be fixed and thereafter formula be evolved even if the PSU is in loss. The official side indicated to get the orders from CMD/Director (HR) on the issue. It was made clear that there will be no compromise on this demand. It was also stated that the committee has been formed for non-executives and linking it with Executive how not desirable. The item is in National Council.
