

झूठा प्रचार EU द्वारा -Allegations baseless and unfounded: - The leaders of BSNLEU are making baseless and unfounded allegations that the NFTE agreed and accepted the formation of BSNL. It is far from truth and reality. The NDA Gov. took Cabinet decision to form BSNL as per their election manifesto. Even the Parliamentary Committee, chaired by Shri Somnath Chatterjee recommended for the corporatization. The NFTE organized 3 days historic strike with the cooperation of FNTTO and BTEF and secured job and Gov. pension guarantees from the Gov. which are unparalleled. The propagandists were anxious and eager to form industrial union and assembled quickly at Vishakhapatnam to form BSNLEU instead of protecting the employees. The "BBNL" (Bharat Broad Band Nigam Limited) has been formed in 2012. Who formed this PSU?. A separate Tower Company has been formed in the BSNL. Who has formed the third PSU i.e. Tower Company. Gov. is the owner of BSNL, BBNL and Tower Company and these have been formed only by Govt. The NFTE's efforts had been to protect the interest of employees.
