GOI DOPPT has issued and reiterated the subject of Strengthening Administration thro periodical Review under FR56J and Rule 48 of CCS PR 1972.

BSNL management has again reiterated thro its letter dt 17-7-15 addressed to Chandeshwar, GS NFTE that CDA 55 ii b is similar to FR 56J and 48 1 b of CCS PR 1972.

Management just ignored our arguments in the NC and its minutes of asking us to submit note on the subject. This unilateral decision of management is unfair affecting many of our employees who are in their 55 years of age, and they may be subjected to quartely review for awarding Compulsory retirement.

The matter is serious one affecting the assurances of GOI during the time of absorption.
